Hi Sharon,

I tried to get a new password from the webmaster site and got the following response:

Delivery has failed to these recipients or distribution lists:

webmasters.domino@epa.gov

The recipient's e-mail address was not found in the recipient's e-mail system. Microsoft Exchange will not try to redeliver this message for you. Please check the e-mail address and try resending this message, or provide the following diagnostic text to your system administrator.

The following organization rejected your message: mseive02.rtp.epa.gov.

Will you please contact whomever I need to talk to and have them contact me with a new password.

Thanks in advance.

Jim
